Dear Partners,

RE: POSTPONMENT OF ALL MEETINGS AND CONFERENCES

Due to the rapid spread of the coronavirus (COVID-19), international efforts to limit its spread, and the directive by His Excellency President Uhuru Kenyatta to scale down public meetings and gatherings, the Regional Centre on Small (RECSA) has suspended all meetings and conferences until further notice. Our office operations will continue as usual.

For any urgent issues, kindly send us an email through info@recsasec.org
